

Action Taken on feedback System on Curriculum Academic Year 2020-21

The feedback on curriculum by the employers express that student should be learnt current technologies which are growing very fast. The students also expressed that the current technology subjects need to be included such that they will be useful for their higher education or job opportunities and the same is expressed by the alumni. A Report has been generated and placed as an agenda in the DAB committee for approval.

The following activities are executed in line with the suggestions given by the committees

- ❖ Workshop Conducted on “**Web Services**”.
